FUSIONPRO

FUSIONPRO FUSION FOR EVERY DILUTION

Fusion Pro: Fast Chemical Dispensing

Fusion Pro is DEMA's next generation multi-product, dilution control system. Designed with an emphasis on dilution accuracy, ease of installation, and reliability, this dispensing system has everything you need. The Fusion Pro family offers options for 1-8 dilutions, bottle fill and/or bucket fill, customizable flow rates, large branding areas, and locking enclosures to match your specific needs.

OPTIONAL LOCK ON BUCKET FILL

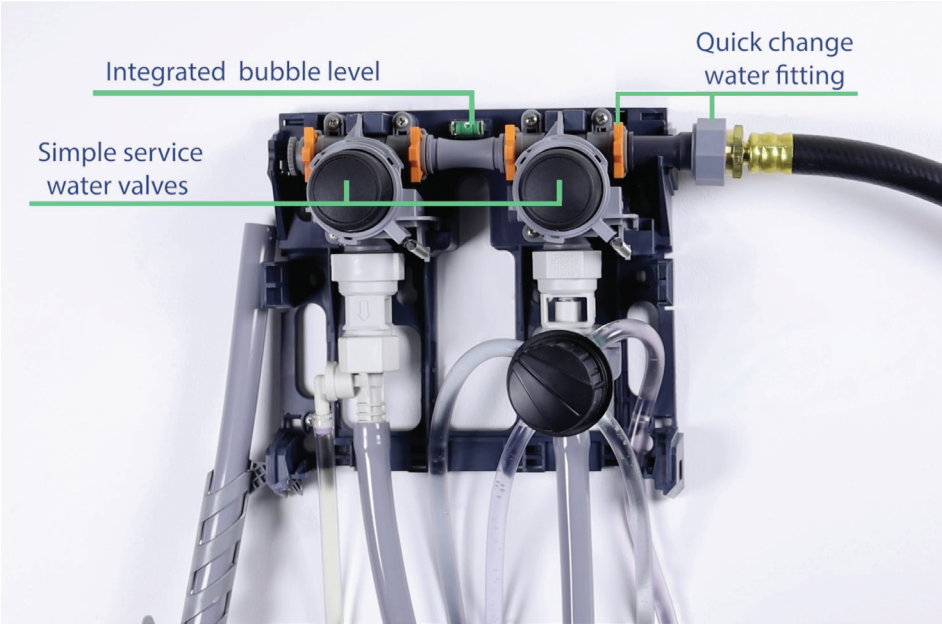

PUSH ON BOTTLE FILL

Features & Benefits

- Simple installation, built in bubble level
- Quick change water inlet fittings, no need for messy thread sealants
- Quick service water valve
- FloRite Technology standard
- Large custom branding area
- Large, easy to grip buttons and selector knobs
- Multiple flow rates available for Bottle and Bucket filling
- 1 GPM, 2.5 GPM and 4 GPM
